

"What you wear is how you present yourself to the world, especially today,

## Traditional Touch

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self-expression and, above all, attitude."
