Branding is
an *Intimate*

"The hardest thing in fashion
is not to be known for a logo,
but to be known for a
silhouette."

"Don't be into trends.
Don't make fashion own
you, but you decide what
you are, what you want to
express by the way you
dress and the way to
live."

Female
STYLE VIBES

"Don't be into trends. Don't
make fashion own you, but
you decide what you are,
what you want to express by
the way you dress and the
way to live."

Something
YOU CREATE

"Don't be into trends. Don't
make fashion own you, but
you decide what you are,
what you want to express by
the way you dress and the
way to live."

Reality is created

"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."

Something
YOU CREATE

Don't be into trends. Don't
make fashion as you, but
you decide what you are,
what you want to express by
the way you dress and the
way to live.

STORY OF Fashion

There are no shortcuts to your style, and I don't see how pattern design is...
Something that expresses who you are in your own way.
