Destiny Create

fashion is in the sky, in the street

The beauty of a woman must be seen from
in her eyes, because that is the doorway to
her heart, the place where love resides

*Always to be
exclusive*

A woman's dress should be like a barbed-wire fence
serving its purpose without obstructing the view

People are like stained - glass windows.
They sparkle and shine
when the sun is out, but when the darkness
sets in, their true beauty
is revealed only if there is a light from within
