What's my style is not
your style, and I don't
see how you can define
it. It's something that
expresses who you are
in your own way.

I think fashion
can do a lot.
Fashion is very
popular, so it can
help broadcast a
message and reach
a new generation.

You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet.

To wear dreams on one's feet
is to begin to give a reality
to one's dreams.

Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world.

Fashion you can buy
but style you possess.
The key to style is
learning who you are,
which takes years.
There's no hour-to-road
map to style. It's
about self-expression
and above all, attitude.
