## SHADES OF *Love*

### THE LIFESTYLE EPISODE

As a philosophy we have always focused on elegance because our impulse to establish the distinctive identity of our label has always come from dignity of ethnic aesthetics.

The concepts are derived from contemporary techniques of comfort yet much steeped into traditional trace.

In this regard, our garments have maintained a very sophisticated methodology, silhouettes are free yet classic and endure easy but abundant.

Our designs are minimal and easy. As our clothes are a result of curated team of creative designers, you will find a fresh story with each outfit and that is what makes the collection ageless.
